What is NYLT?

NYLT is a rigorous youth leadership training program that provides skills for life and is designed to benefit and enhance the leadership teams of troops and crews. It is fun, challenging, and informative. The skills come alive during the week as the participants go on a Quest for the meaning of leadership. NYLT is a seven-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun, guiding environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids which allow participants to understand and employ the “Toolbox” of leadership skills much more quickly.

Who may attend NYLT?

- Registered Scouts BSA members must be 13 years of age and fall within the maximum age allowance for their program registration. They must be a First Class Scout or higher and have completed Introduction to Leadership Skills for Troops.
- Venturers and Sea Scouts must be at least 14, or 13 and have completed eighth grade, and fall within the maximum age allowance for their program. They must have completed Introduction to Leadership Skills for Crews or Ships. It is recommended that they have had at least one year of camping experience. While NYLT is not an outdoor skill course, it is important that each participant have basic camping and outdoor cooking experience.
