

## Scout Shop Price Freeze EXTENDED

To our leaders and volunteers;

Due to recent supply chain cost increases, National Supply Division, and scoutshop.org, are implementing price increases on many items that we sell here at our local Patriots' Path Council Scout Shops.

These changes went into effect on February 2nd, and have affected over 1,100 different items across the entire catalog. This includes advancements and uniform supplies EXCEPT for the blue Cub Scout Uniforms.

We will be **EXTENDING** our price freeze until **April 15th** in order to allow members of our council to purchase the supplies they need at their current prices. Any purchases made before this date will have the current pricing applied before we make the switch to the increased pricing model.

Some of the major item price increases include the following:

Webelos/Arrow of Light Advancement Pins: \$2.49 to \$2.79

Cub Scout Belt Loops: \$1.99 to \$2.19

Merit Badges: \$3.75 to \$3.99

Uniform Pants/Shirts: \$5 increase

If you would like to make a purchase, visit us at Cedar Knolls or Mountainside. Alternatively, send us an order using the e-mail below for pickup or shipment.

We appreciate your understanding.
